Dear Sirs/Mesdames:

Re: Harvest Fraser Richmond Organics Ltd.
Appeal Files: 2016-EMA-G08 AND 2016-EMA-175

Further to our letter dated August 30, 2018, we write to advise that the Appellant Harvest Fraser and the Respondent District Director have reached an agreement on the terms of a proposed Amended Permit to be issued in substitution for GVA1088 by consent, thereby disposing of Harvest's Appeal.

We accordingly attach herewith the form of the proposed Amended Permit with amendments to GVA1088 highlighted and blacklined.

The District Director will speak to the Permit and the proposed Amended Permit at the hearing on September 4, 2018, following which we understand the facilitation with the Group Appellants and the City of Richmond will proceed as planned.

Yours very truly,

Gregory Nash
